

Dear Homeowner,

Meredith Management, LLC, AAMC introduced a new electronic pool pass system last year. Everyone who visited our office was issued a permanent pool pass with their photo ID. Your pool passes will be activated or deactivated each summer based on the status of your Homeowners Association account balance. With exception to the few circumstances outlined below, there will no longer be any need to visit the Meredith Office or the Community Center again for pool pass renewal. You are ready to swim!

- **If you are new to the community or have never received an electronic pool pass** you will need to complete the registration form on the reverse side and return it to Meredith Management. When it is convenient for you and your family to visit our office please do so in order to have your photo taken. Your pool pass ID cards will be printed on the spot for you and your family to enjoy the pool on the same day.
- **If you are adding new members to your household you will need to complete the registration form on the reverse side and return it to Meredith Management. When it is convenient for that new household member to visit our office please do so in order to have your photo taken. Your pool pass ID cards will be printed on the spot for you to enjoy the pool the same day.**
- **If your pool pass was lost** you will need to complete the registration form on the reverse side and mail it to our office with the \$25 replacement pool pass fee made payable to Kingsview. Pool passes will not be mailed. They will be in will-call at the Meredith Office for you or a member of the household to pick-up on your behalf; there is no need to sit for another photo.
- **If you will be entering into a new age bracket** you will need to visit the Meredith Office to update your photo and receive a new pool pass in order to be eligible for the pool privileges associated with each age bracket. Your pool pass ID card will be printed on the spot.
